

Program AB01-GEN

MBA GENERAL MANAGEMENT

Develop as a leader across industries with a solid foundation in business

The MBA in General Management is the cornerstone for aspiring leaders who seek versatility in their careers. This program provides a well-rounded education in core business functions such as finance, marketing, operations, and strategy, making it ideal for those looking to understand the big picture of business leadership.

-  **Adaptability Across Industries:** The broad scope of this MBA allows you to transition between roles and sectors seamlessly, offering unmatched flexibility in career paths.
-  **Decision-Making Skills:** Learn to analyze complex scenarios and make strategic decisions that drive long-term organizational success.
-  **Global Business Insights:** Tackle real-world challenges by exploring global business trends and case studies that enhance your understanding of international markets.
-  **Diverse Career Pathways:** Graduates are well-prepared for senior roles such as Business Development Manager, Operations Director, or Chief Executive Officer (CEO).

This program is perfect for professionals who want to lead with confidence, manage dynamic teams, and excel in a fast-paced business environment.
